MONTANA HOUSE OF REPRESENTATIVES

SPONSOR'S REBUTTAL TO FISCAL NOTE

House Bill Number: HB 202 Date Prepared: Jan 22, 2015

Short Title: Allow for optional DUI prevention contribution on vehicle registration form

Sponsor: Rep. Bryce Bennett

Generally, why do you disagree with the fiscal note?

I disagree with the assumption that a larger format of paper would be required for the addition of this new donation line.

Specifically, what in the fiscal not do you feel is flawed?

(Describe specific assumptions, calculations, technical issues, etc.)

In the fiscal note the Department of Justice states that adding a new donation line for DUI prevention programs would require "using a larger format" for the document. They estimate this would add an additional cost of \$90,000 per year.

After reviewing the vehicle registration renewal document currently being used I believe there are multiple ways that it could be altered that could allow for two or three words on a single line. Fonts could be altered to be slightly smaller or tables could be configured differently. There is blank space above the 'Renewal and Fee Information' heading that could be eliminated in favor of space for this line.

What is your estimate of the fiscal impact?

I believe the cost should be \$52,750 in FY 2016 only and \$0 in every year following.

LICENSE PLATE REPLACEMENT: State law requires that license plates be replaced every five years, with the exception of plates on permanently-registered vehicles. This requirement applies to standard, personalized, collegiate, and amateur radio plates. This year, we will begin replacing license plates issued in 2009 or before. As license plates age, their reflectivity decreases and they are less visible at night. The ability to see and read license plates is a matter of public safety. Your plate issue date is listed above in VEHICLE INFORMATION. When the plates on this vehicle need replacement, there will be a message in the SPECIAL ACTION REQUIRED box to the right.

MONTANA INSURANCE VERIFICATION PROGRAM (MTIVS): Drivers must show proof of insurance when stopped for a traffic violation. Law enforcement can use MTIVS during traffic stops to confirm that the insurance card is valid.

SPECIAL ACTION REQUIRED

- Your license plates must be replaced. New plates (same design) will be mailed with your registration tab. If you want a different plate design or to keep the number on your current plates, you will need to renew at your County Treasurer's Office.
